CHIC DNA REPOSITORY

The dog named above has a DNA sample banked with the CHIC DNA Repository. Any future use or distribution of this sample is within the sole discretion of the CHIC DNA Repository. Pedigree and health survey information remains confidential and will only be released to researchers that have been granted access to the sample. In order to keep the health history on this dog current, please refer to the PIN number above and access the CHIC website at www.caninehealthinfo.org for instructions on how to update this dog's record with any significant health changes. The DNA bank number assigned to this dog is:

RO-DNA-111/S
